

BENEFITS OF PLAYING TRAVEL BASEBALL

- **98%** of current college baseball players, played with a travel baseball organization.
- With the college baseball season being a spring sport, **nearly all recruiting** occurs during the summer and fall seasons - which is when high school travel baseball is played.

TRANSFORM
THEIR LIVES

THE IMPACT OF SPONSORING A PLAYER

You can help shape the future of an individual student-athlete. By sponsoring a player, your contributions will lessen the burden financially so players can have every opportunity imaginable to make their dream a reality.

Opportunity is one of the greatest gifts I could ever receive.

The Power Baseball Foundation appreciates you joining us in our mission in assisting and supporting young athletes.

These young people are our leaders of tomorrow and your generosity will impact their lives to lessen the burden of financial stressors, while optimizing their present opportunities that will help shape them both as athletes and as people.
